# Activities

- The event doesn't operate without leaders helping with activities - We need all the support to ensure we can put the activities on
- **Jobshop** is on the booking site where leaders can sign up to activities.
  - This is not an exhaustive list, and we'll need support with other area over the weekend i.e. car park, washing up etc
- There will be two meetings over the weekend for leaders, mainly to go over activities, but other updates will be provided where necessary.
  - These will be Friday night (9pm) and Saturday before dinner (6pm)

  - Explorers will split into groups and complete tasks/challenges.
  - This year they will get to choose the groups they are in.

# Access

- Arrival times
  - If any leaders are available during the day and would like to help setup, we'll be on site from 10am. Please do let us know if you are available to help - we'll provide lunch so long as we know you will be there
  - We plan to allow access to the camping area for leaders from 4pm
  - Explorers won't be able to access site until 6pm as we need to ensure we have sufficient helpers prior to their arrival
- Departure
  - This will be from 1pm and with all Explorers off site by 2pm
- Check in
  - Explorers will need to check in at the admin tent upon arrival before heading to the camping field. Those already on site helping to set up before 6pm will need to be checked ASAP.
